

Primary Care Provider

The Northwest Washington Family Medicine Residency is a preferred provider of KPT. Please contact their office below to establish care and schedule an appointment with a Primary Care Provider (PCP).

Please reference your referral to KPT; this will ensure you are a priority patient and will be set up with a PCP at the time of your call.

Communication with your PCP is an integral part of monitoring your progress during treatment, moving you towards a solid plan to relieve your pain and to encourage long-term overall health and wellness. The Northwest Washington Family Residency is a program committed to patient-centered, evidence-based, and service-oriented patient care. **Should you have any issues with scheduling please contact our Physician Liaison at CeciSittser@KitsapPT.com or 360.516.3466.**

Please arrive 30 minutes prior to your appointment for medical history paperwork, this is an important step in providing quick and effective services. Some insurance companies have specific processes for us to follow in order to provide the care you need; prior to your visit, we need to know what these are. **Also**, please have your insurance information available when you call. **Thank you!**
